- This insurance will cover the Seasonal Residents and their guests for personal injury, loss and/or property damage.
- The Seasonal Resident accepts camping privileges with the understanding that he hereby releases Divine Ventures, LLC dba Woodsong RV Resorts (Woodsong or Lessee), its officers and employees, of all liability for loss or damage to property and injury to his person, family and guests arising out of their use of Woodsong RV Resort and facilities, and agrees to indemnify Woodsong, its officers and employees,

- Seasonal Residents are responsible to see that all guests on their campsites observe this rule.
- Large parties with excessive noise are not allowed nor is offensive or unseemly language.
- Music must be unheard from more than 30 feet away.

4. RVs, VEHICLES, DECKS, STORAGE BUILDINGS, AND LANDSCAPING

Recreational Vehicles

- RVs placed at Woodsong must be in great condition;
- Not more than 10 years old; *and*,
- Approved by Woodsong prior to placement on the leased space.
- RVs older than 10 years but still in good condition shall be permitted for the current Lessee but shall be removed when the current Lessee terminates his site lease.
- Lessee will incur a daily fine of \$20 for not removing the RV at the conclusion of their lease.
- Woodsong shall be the sole determining entity as to which RVs are acceptable, regardless of age.
- Seasonal Residents may place or remove an RV on a leased site anytime between April 15th and October 15th, weather and soil conditions permitting.
- Woodsong shall have final approval of the placement of your RV on the leased site. There must be a minimum of 16" clearance between the camper and any/all utilities.
- The site is leased conditionally on the placement of an approved RV. It may not be used for other purposes.
- Seasonal Residents may temporarily remove their RVs during the camping season for travel or repairs. Please inform Woodsong as to the circumstances and time frames. If an RV is off site for more than 14 days without the requisite notice, the Seasonal Resident may be deemed to have abandoned the site and the site may be released to other individuals.

Boats, Extra Vehicles and Trailers

One boat and/or trailer may be stored in the boat storage lot. You may keep your boat on your site while you are staying in your RV as long as the boat does not interfere with roads, lawn maintenance, or others' use of Woodsong. Boats should be stored in the boat storage lots when you are not in residence. Pontoon boats shall be parked on the northern section of boat storage and all other boats utilizing the western section of boat storage. Any extra vehicles and/or trailers that are atypical must stored in boat storage.

Other Personal Property

Storage buildings, decks, screened enclosures and other personal items (including satellite dishes) are allowed on your site as long as the Seasonal Resident obtains approval from

Woodsong prior to installation. Installation without approval results in a \$250 fine and will require personal property to be corrected to meet Woodsong guidelines and code.

- Personal property must be more than 10 feet from any neighboring personal property.
- Any additions, changes and/or alterations in decking, storage units, covered porches, patios, etc... must be pre-approved.
- Decks elevated more than 12" from ground level are required to have lattice of high quality encircle the entire deck that is visible from public view.
- One storage building permitted per site. Storage building shall be less than 100 square feet, and may not be used as sleeping quarters.
- These items remain the property of the Seasonal Resident and may be sold or removed when the lease is terminated. They should also be high quality and in good condition.
- Woodsong is required to provide the county assessor with the names and addresses of Seasonal Residents. Seasonal Residents will be taxed directly from Kanabec County for personal property (decks, storage buildings, etc). If Kanabec County taxes Woodsong in error for such structures, Seasonal Residents agree to reimburse Woodsong for such expenses.
- All RVs must have current license tabs clearly displayed. Park model RVs should not have a motor vehicle license. See the Kanabec County website for more information on taxation of recreational vehicles.
- All personal property must be located on your site, between the power pedestals, and behind the front of your trailer.

Landscaping

Landscaping is not considered personal property. To maintain the appearance of the campsites, plants, rocks, retaining walls, permanent fire rings, patios, etc., must remain with the site when you terminate your lease or move to another site. They may not be sold or removed unless you have specific provisions written into your lease agreement allowing you to remove such items.

5. RV AND VEHICLE STORAGE

Seasonal Residents may store their RVs and one boat and/or trailer, onsite from October through April without charge if:

- A signed contract is in effect with Woodsong for the following Camping Season; and,
- All terms and conditions of the contract have been met and Lessee is not in default on any provisions of this agreement.
- Stored trailers or vehicles must be registered on your contract and clearly display a Woodsong - issued parking sticker.
- Unregistered trailers and vehicles may be subject to additional fees.
- Seasonal Residents who are not renewing their leases for the next Camping Season must remove their RVs and other personal property prior to October 1 of the current camping season to avoid charges for non-reserved storage and removal from the site by Woodsong. Lessee agrees that any personal property including RVs, Boats, and trailers, that is left for a period of 6 months after the expiration of a lease may be considered abandoned and can be disposed of by Woodsong to satisfy unpaid rental charges.
- There is no access to stored trailers or vehicles during the winter.

6. UTILITIES

- A device to prevent water backflow from your RV to the water system is required by law (backflow prevention device, aka, BPD) and is your responsibility to provide and be installed on the spigot at your site at all times. You may not remove this device. If a device is missing they will be re-installed at your expense (device, plus labor).
- Seasonal Residents are responsible for paying for electricity used. Woodsong charges a flat rate per kilowatt-hour for power consumption. Electrical bills will be ready for payment after the 1st of the month. Credit/Debit card payments are subject to a 3% processing fee.
- Four inch schedule 40 PVC should be used to connect the RV to the sewer line. A “sealing” type connector is required between your RV and the sewer pipe in the ground. The PVC may not extend into the sewer line more than 4 inches. **DO NOT PUT FLEXIBLE PIPE DIRECTLY INTO THE SEWER SYSTEM AS IT WILL BLOCK THE SEWER FOR YOUR NEIGHBORS “UPSTREAM”.**

7. “SEASONAL RESIDENTS” AND “GUESTS” DEFINITION

- “*Seasonal Residents*” shall mean the nuclear family:
 - Members of the Lessee’s immediate family (husband/wife and children under the age of 19 living at home);
- Siblings, adult children, parents and/or grandchildren of the Seasonal Resident do not qualify as registered seasonal residents unless they are listed on the lease agreement. Woodsong shall determine who shall be listed as a “Seasonal Resident” or be deemed a “Guest” based on family circumstances.
- “*Guests*” shall mean all other individuals whom you may invite to visit your campsite and/or stay overnight at your campsite regardless of their relationships to the Seasonal Resident.

Seasonal Residents RV Resort Use

- The seasonal fee pays for use of the RV Resort and all facilities for family members listed in this agreement as “Seasonal Residents”.
- There is an additional charge for a tent or camper placed on a seasonal site. It is called “Piggybacking” and is \$25 per night. **Piggybacking may only be used in the event there are no nightly/weekend sites available** and Woodsong must approve each piggyback.

Guests RV Resort Use

All guests must be registered with Woodsong **prior** to admittance. Your guests must register at the office, or you may register for them (via phone call or text message) if they are coming in at a time when the office may be closed.

- The following fees will apply to guests of Seasonal Residents. If guests fail to register and/or pay the appropriate usage fees, the fees will be billed to and paid by the Seasonal Resident. A two vehicle limit for guests at your site will be enforced.
 - o Guests exceeding 5 mph \$5.00 per incident
 [?] Violation notice sent via text to seasonal resident.
 - o Guests failing to register prior to entering park \$7.50 per person
 - o Registered Guests staying at your site in tent or RV \$25.00 per day
 - o Unregistered Guests staying in your RV, in tent or RV \$50.00 per day

- o Guests staying in your RV when you are absent requires advance written permission (7 days prior to scheduled arrival) from Woodsong. Sites/RVs may not be sublet.

8. LEASED SITE MAINTENANCE

Woodsong is responsible for mowing the general use areas and will mow your site up to the hitch in front of your camper.

- Residents are responsible for mowing and trimming their sites around and beyond the hitch. A mower is available to borrow.
- Residents are responsible to trim any added landscaping (planters, flag poles, chairs, tables, etc...). Please trim items in front of hitch to maintain a nice appearance.
- To maintain a well-groomed appearance, Seasonal Residents are required to mow and trim their sites at least every other week. If site maintenance is not completed as required, Woodsong will charge \$50 each time a mow and/or trim is required to maintain a well groomed appearance.
- Please make sure the grass area in front of your hitch is free of mowing obstructions, especially dog leashes and chains. Fire rings are to be free of litter upon departure of Woodsong.
- If tree trimming or removal is necessary on your site, you may be required to move your camper, deck or storage building to shield them from potential damage. Do not remove trees on your site without obtaining permission in advance from Woodsong. Removing or cutting trees/branches without permission will result in a fine of \$250 per tree and/or \$20 per branch.
- Never dump ash or leaves on land adjacent to the RV Resort. Dispose of them properly. When placing ash in the dumpster, be sure it's cool. Warm ashes are a fire hazard.
- Recreational vehicles, building structures and decks must be washed when necessary and always maintained in good condition. Woodsong will charge \$125 each time a wash is required to maintain the appearance of the park. Woodsong determines when a wash is required and will execute without notice to maintain the park's appearance.
- Redwood stain may be used on picnic tables or you can paint them with Sherwin Williams paint named "Durango". Picnic table maintenance is the responsibility of the guest during the season. Woodsong will do table work during the off-season. If yours needs repair/maintenance please notify Woodsong prior to October 1st.
- RV and/or auto garage canopies are not allowed.
- If a Seasonal Resident terminates his lease (or has the lease terminated by Woodsong), he shall remove all personal property and leave his site clean and orderly. ALL ITEMS ON SITE MUST BE CLEARED. If anything is left behind or the site is damaged in any way, Seasonal Residents agree to pay reasonable restoration and/or site clean-up costs (minimum of \$100) and forfeit their clean-up deposit. Removal and clean-up must be completed within 3 days.
- Do not store food or garbage outside your RV as it may attract bears and/or other woodland creatures. Bird feeders are allowed if no evidence of bears has been reported. Be aware that birdseed and hummingbird feeders will attract hungry bears. If evidence of bears is discovered within Woodsong, everything must be removed until notice is given that it is once again safe to replace them.

9. TRASH

Woodsong pays by the load and by the pound of trash removed. Your lease payment provides for the removal of trash and garbage created from normal day-to-day living.

- Please put all trash in strong plastic trash bags that are closed at the top. Place the bags in the dumpsters provided.
- Cut and flatten boxes to conserve space.
- Appliances, TV's, building materials, lawn chairs, grills, equipment and similar items may not be placed in the dumpsters. Such items should be taken with you when you leave, or if necessary, arrangements can be for a disposal fee.

10. LEASE FEES, CHARGES AND PAYMENT SCHEDULE

A basic seasonal lease includes one RV site with water, electricity, sewer, and space for one boat/trailer from May 1st through September 30th and 2 gate cards. Onsite storage for the RV and space for one boat/trailer, is available free of charge for the winter months prior to the contracted Camping Season.
