Letter FROM CAMP

What a great
summer we are
having at Woodsong!
Wish you were here.

In the Lodge

Woodsong's 117 full hook-up seasonal sites are very spacious. Mature trees provide wonderful shade. All sites include a fire ring, picnic table, 30 or 50 amp electric, water and sewer utilities, two gate cards for access, unlimited use of the Resort, free storage of a boat or trailer, and free winter storage of your RV.

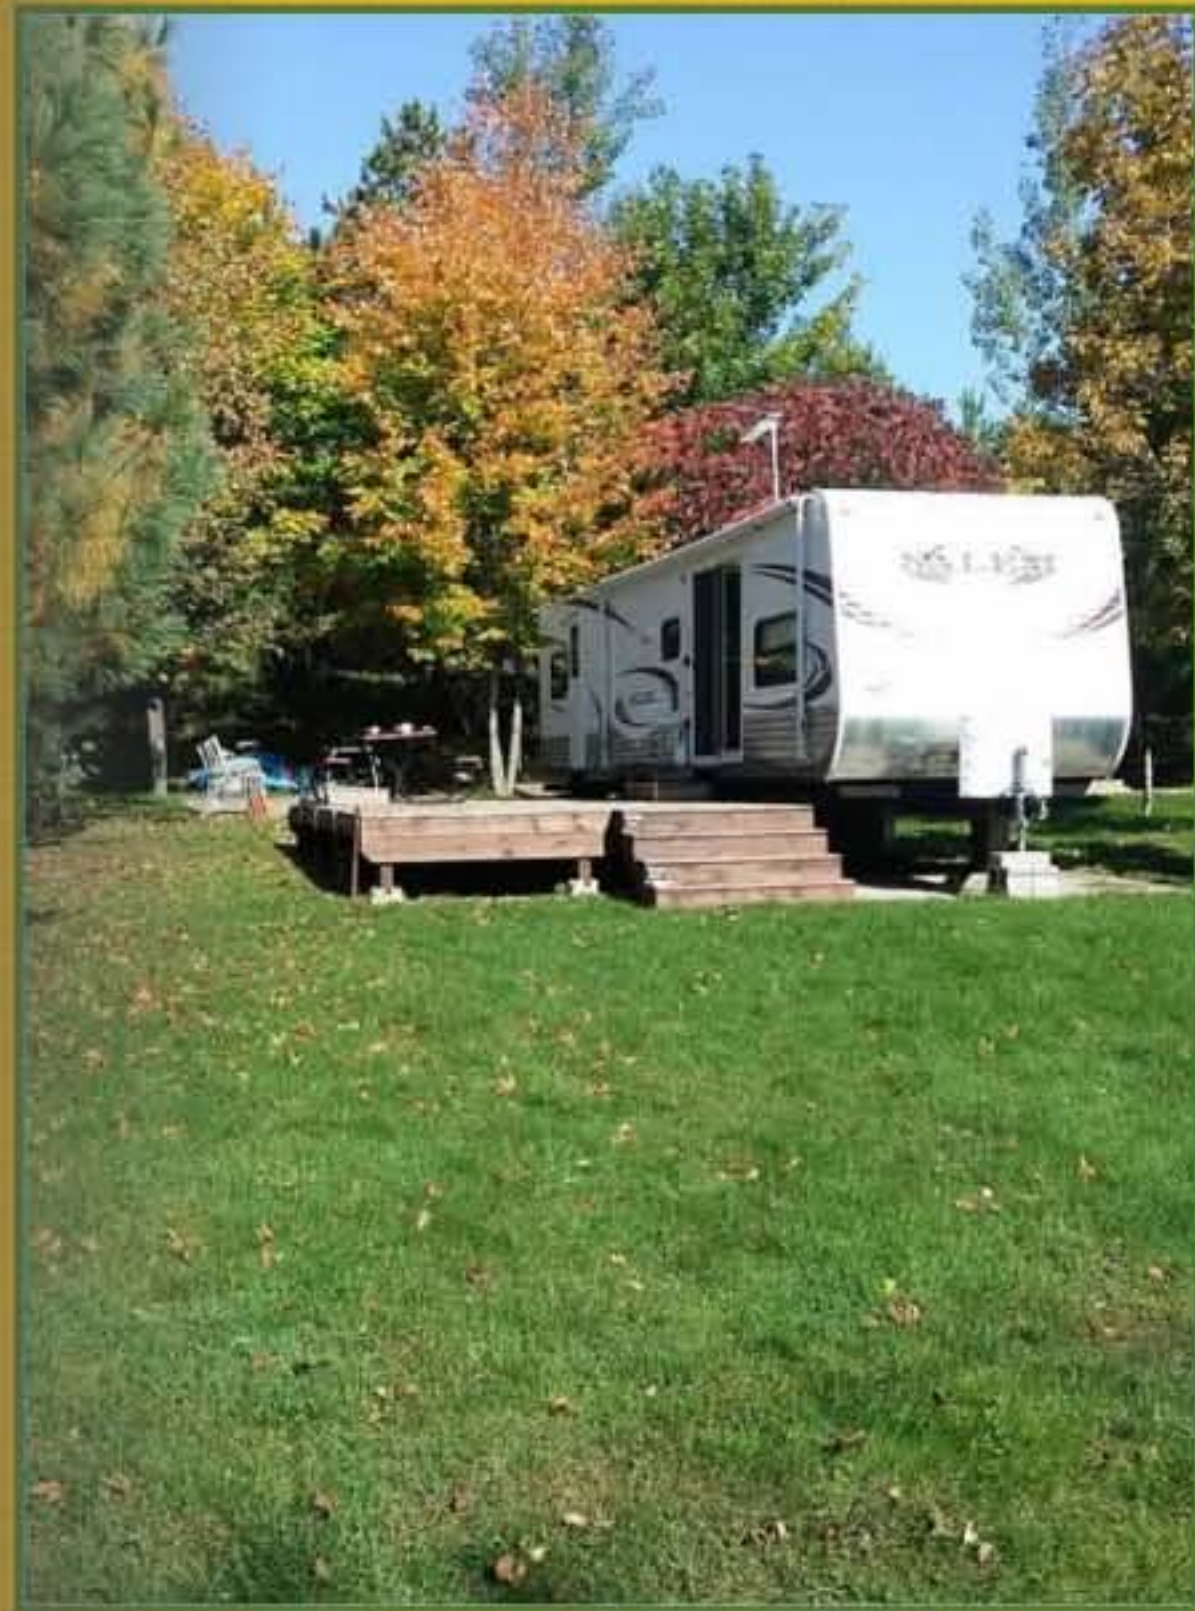

Seasonal Sites

Woodsong welcomes travel trailers, Class A motorhomes, shingle-roofed park models, and destination park models. All RVs must be less than 10 years old upon arrival.

Create your own little paradise by adding a deck, landscaping, decorative lighting, hammock, or custom fire ring.

Nightly Sites

Woodsong has 17 sites available for nightly rental. Each site has a fire ring, picnic table, water, and electric service. Nightly guests are welcome to use any of the resort facilities and amenities.

SPLISH SPLASH

Our heated pool is a great place to gather with friends and soak up the sun. It's just the right temperature to cool off during the summer months!

The playground, basketball court, volleyball court, and fire ring are fun places for everyone to interact with each other.

The Fourth of July

Holiday weekends are filled with activities for adults and children to enjoy. The fourth of July parade, trick-or-treating, kickball, horseshoe tournaments, bingo, the chili cook-off, and other activities are awesome ways to get involved with the campground community.

Guests relax at Bingo and hope for a big winners pot!

The wine social kicks off the summer camping season. It's a wonderful treat to reconnect with everyone after the winter and meet the new guests of Woodsong.

The Annual Corn Feed

Guests of all ages get into the SHUCKIN' GOOD time with fifty dozen ears of corn bought from a local farmer. This butter-dipped fresh corn is DELICIOUS!

*The Fall Beer and Brats Fest
is a Woodsong favorite!
Brats are specially prepared
for utmost enjoyment.*
