

Woodsong RV Resort 2015

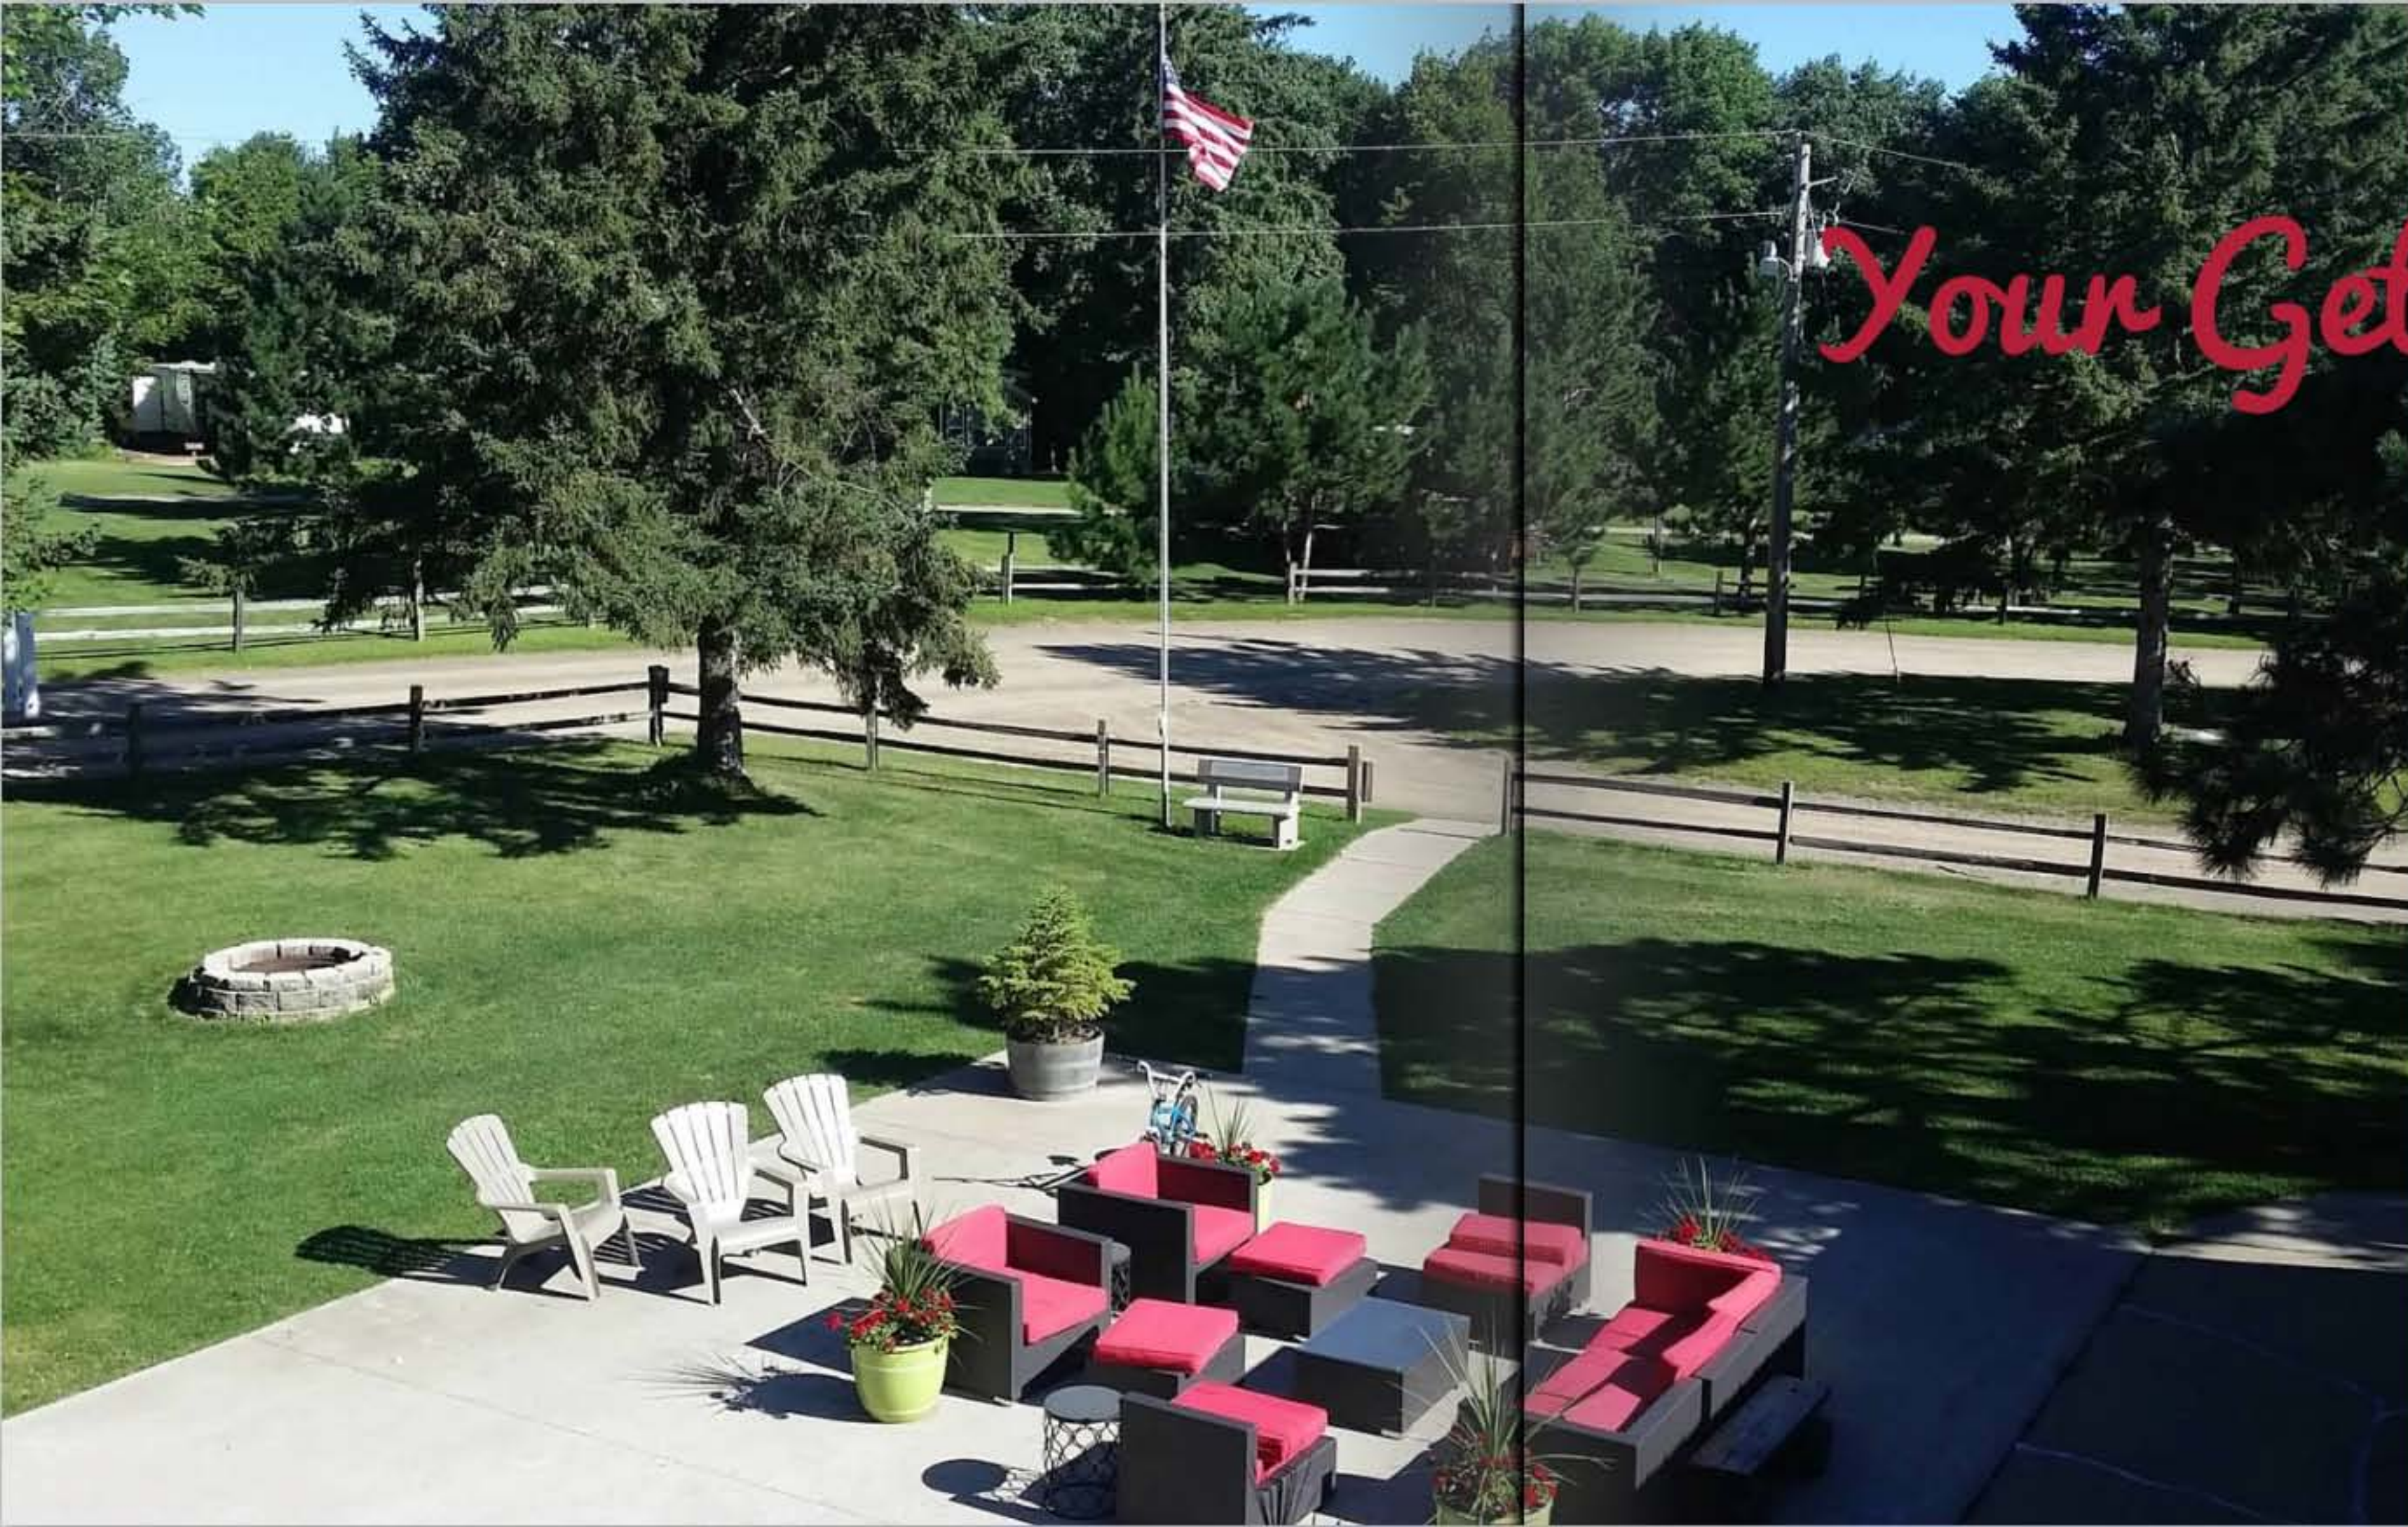

2015

Tex and Rebecca Divine are your hosts here at Woodsong. We began our second season here this year. We are looking forward to getting to know the new folks and spending more time with the folks who have been here many years.

"Our Weekend Paradise"

actual quote by Heather Stone

*"Our home
away from
home.
Heaven on
earth." -HE*

*"Everyone is super
friendly. Feels like a
second home." - CV*

This year Tex started selling pallets of wood that he would then deliver to campsites as requested. We also replaced an old washer with a new one. It's a good thing to have a way to clean dirty clothes at a campground. Tex also framed some old aerial shots of the campground. Woodsong has been a destination for campers for nearly 40 years, and it has changed a lot over the years.

"Thank you so much! You were so wonderful to us and were so accommodating for our family reunion!"
- TB

We added a life-size checkers board outside the gathering room and a life-size chess board in front of the storm shelter. Playing these games on a large-scale adds a whole new challenge. The new seating area in front of the lodge is a nice spot for gathering with friends.

Checkers or Chess, anyone?

The Woodsong Lodge is a cozy and comfortable place to be.

*Legos, Wifi, games, friends...everything
you need for a nice afternoon.*

"Great fun and lots of activities for the kids. Great pool, clean park and great hosts."—LS

Wine Social

Wine Socializing

The first event of the season is the Wine Social. It's a great time to reconnect and to meet new campground friends.

Memorial Day Weekend

The true beginning to summer! To celebrate the opening of the pool free wooshies and adult wooshies were enjoyed. We honored the men and women in the Armed Services with the flag ceremony and flowers.

Kids were welcomed with fun camping decorations, a photo op, and camping themed snacks. We played Tug of War, Bug Bites, Camping Bingo, and made a sunlight craft. Eva and Ema helped Rebecca set up this soon to be annual party for kids.

Camp Woodsong Party

Happy Fourth of July

The Fireworks Show rivaled some put on by bigger organizations. Tex and Zach did an amazing job putting the display together, and our wonderful campers raised all the funds for the fireworks. The Woodsong campers are what make this place great on the Fourth of July!

"The grandkids loved being part of the Fourth of July Parade. The fireworks were amazing." - LS

A Little Friendly Competition

Aside from the big events we hosted smaller activities, as well. Every Tuesday morning donuts and coffee were enjoyed in the Lodge. On most Wednesdays many of us talked smart while playing cards together. We hosted a jewelry party, a games afternoon, and a campfire.

Let's Eat Some Corn!

A Good Old-fashioned Day

The Corn Feed was about more than just the corn – it was about coming together as a community. The area in front of the Lodge was full with people playing Giant Jenga, Koobs, a giant dice game, and bean bags. People of all ages helped get the corn ready and cooked. Tom Otto prepared amazing pulled pork to go along with the corn. This truly was a gathering of good old-fashioned good times had by all.

Trick or Treat

The Beer and Brats Fest is the last event of the season, happening in mid-September. It's a great for everyone to gather one last time before the campground closes for the season.

Behind the Scenes

Many hands make light work around Woodsong. Quinn and Bristol regularly help with important jobs like cleaning the bathrooms, working on the pool, and picking up trash and sticks. So, when you see them on the golf cart, ask them to take out your trash. The next pages show some of the other projects Tex worked on this year.
