POOL PARTY

It all starts here...

When the weather begins to warm up, the first task is getting the snow off the pool, getting the cover off and beginning the clean up process. After a long winter, the pool is a mess and getting it drained, power washed and repainted is very time consuming. It's the most stressful part of opening Woodsong.

That's disgusting!

Home Sweet Home

For the past 5 years I've been slowly getting the barn organized and situated. I recently added some shelving and organized the scrap wood piles. After adding a chop/table saw we might nearly be done. An organized workspace represents an organized mind.

DOUBLE TROUBLE

POOL PARTY

Everybody has fun at the pool! It is impossible to enjoy summer without jumping into the pool or sitting in the hot tub. Countless hours are spent here and watching all the kids having fun is rewarding.

There were even some pool games this year. A slippery watermelon sure is tough to grab and racing back and forth tested everyone's endurance. So much fun to watch!

Here's what you need to know/do:

Sign up!

\$5 Entry (tasting included);

Crock pot (empty, bring Saturday night);

Chili (get a container from us), bring to Gathering Room Sunday at 9:30 am.

Come up to the Lodge between 12 - 2 pm and taste it all! There should be quite a variety and you can discover what you like and what you don't. You'll pay (\$3), you'll taste, you'll vote and then you'll nap! The more tasters, the more the winner takes home as a prize!

Voters have 5 votes and can use all 5 votes on one chili or 5 different chilis. The winner with the most votes takes home the Wooden Spoon (and a cash prize). The winner will be announced at the Lodge at 3 pm once the scores have been tallied.

Chili Cook Off

Teresa Duscher, Ron Dietrich, Tony Lavallo, Ms. Jay, Sherry Sonneson

Our Labor Day weekend Chili Cook Off has grown in popularity since its inception. With 16 entrants comes 16 delicious variants. Only one can be crowned champion. Not sure if the contestants or the tasters have more fun!

Corn & Pork!

August marks the annual Corn & Pork Chow Down. We enjoyed 360 ears of corn, 12 pounds of butter and 85 pounds of pork.

It was a gorgeous day and it was only made better by the company that enjoyed the feast!

Beer and Brats!

Marking the final activity of each season, Beer and Brats is all about eating well with friends. The beer might be good too (provided it's not ____ Lite). Can't tell for sure whether it's the brats or the beer that is the attraction. Either way, the combination is dynamite!
