If an RV is off site for more than 14 days without the requisite notice, the Seasonal guests may be deemed to have abandoned the site and the site may be rented to other individuals.

Boats, Extra Vehicles and Trailers

One boat and/or trailer may be stored in the boat storage lot. You may keep your boat on your site while you are staying in your RV as long as the boat does not interfere with roads, lawn maintenance, or others' use of Woodsong. Boats should be stored in the boat storage lots when you are not in residence. Daily fines of \$5 (or more) may be applied for storage of boats/trailers on your site while not at Woodsong. Pontoon boats shall be parked on the northern section of boat storage and all other boats utilizing the western section of boat storage. Any extra vehicles and/or trailers that are atypical must stored in boat storage. Boats stored on the property must be actively used. Unused boats may not be stored on the property.

Other Personal Property

Storage buildings, decks, screened enclosures and other personal items (including satellite dishes) are allowed on your site as long as the Seasonal guest obtains approval from Woodsong prior to installation. Installation without approval results in a \$250 fine and will require personal property to be corrected to meet Woodsong guidelines and code.

- These items remain the property of the Seasonal guest and may be sold or removed when the agreement is terminated. They should also be high quality and in good condition.
- Woodsong is required to provide the county assessor with the names and addresses of Seasonal Residents. Seasonal guests will be taxed directly from Kanabec County for personal property (decks, storage buildings, etc). If Kanabec County taxes Woodsong in error for such structures, Seasonal guest agree to reimburse Woodsong for such expenses.
- All RVs must have current license tabs clearly displayed. Park model RVs should not have a motor vehicle license. See the Kanabec County website for more information on taxation of recreational vehicles.

- Adhere to these rules to avoid heavy financial fees...just my advice.

Landscaping

Landscaping is not considered personal property. To maintain the appearance of the campsites, plants, rocks, retaining walls, permanent fire rings, patios, etc., must remain with the site when you terminate your agreement or move to another site. They may not be sold or removed unless you have specific provisions written into your agreement allowing you to remove such items.

- Seasonal guests are responsible to trim any added landscaping (planters, flag poles, chairs, tables, etc...). Please trim items in front of hitch to maintain a nice appearance.
- To maintain a well-groomed appearance, Seasonal guests are required to mow and trim their sites at least every other week. If site maintenance is not completed as required, Woodsong will charge \$50 each time a mow and/or trim is required to maintain a well groomed appearance.
- Please make sure the grass area in front of your hitch is free of mowing obstructions, especially dog leashes and chains. Fire rings are to be free of litter upon departure of Woodsong.
- If tree trimming or removal is necessary on your site, you may be required to move your camper, deck or storage building to shield them from potential damage. Removal and clean-up must be completed within 3 days.
- Do not store food or garbage outside your RV as it may attract bears and/or other woodland creatures. Bird feeders are allowed if no evidence of bears has been reported. Be aware that birdseed and hummingbird feeders will attract hungry bears. - Any work outside normal responsibilities will be charged at \$75 per hour.

9. TRASH
