

2023 Woodsong RV Resort

IT'S TIME FOR A NEW

Adventure

Woodsong RV Resort

Year

10

Welcome to Woodsong 2023! What a great year! Thanks to everyone that stayed with us making all of this possible. We had a lot of fun, did some cool stuff and put in a ton of work.

The book is comprised of 4 sections: intro & opening; events, holidays, people & the park; behind the scenes; random related details.

The first 2/3 of the book are meant for our guests to remember the season. The last 1/3 of the book is designed for the Divine Family to remember our lives here.

NOTE: I BELIEVE PICTURES ARE WORTH 1,000 WORDS. LESS WORDS AND MORE PICTURES!

Spring is the most stressful time of the season.

It's a wild balancing act of waiting for the right weather, getting the park prepared for people, turning on the water, opening the pool & hot tub and making sure all the equipment works! It's also a lot of moving supplies and equipment back and forth.

Winter can be tough on the park and one never knows what will work and what won't!

MORE WOOD!

BEHIND THE SCENES

NATURALLY THERE'S A TON OF WORK INVOLVED TO MAKE WOODSONG OPERATE. THERE'S MORE THAN MEETS THE EYE....IF YOU'D LIKE TO SEE WHAT HAPPENS WHEN NOBODY IS LOOKING, READ ON!

IT'S DEFINITELY A TEAM EFFORT!

Hot tub repaired!

Insane snowfall wrecked the porch

Basketball & Pickleball Retaining Wall Project

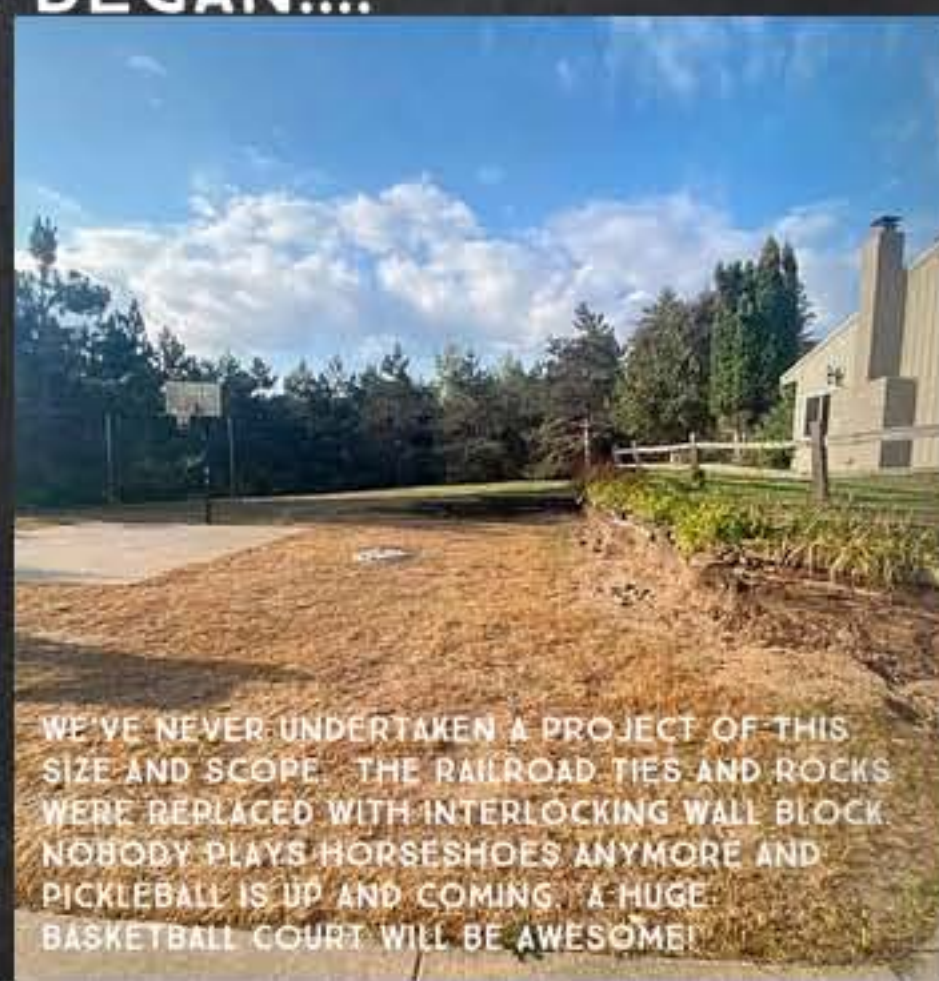

THIS IS WHERE IT ALL BEGAN....

I'M ALL BROKEN UP ABOUT THE OLD BASKETBALL COURT.

THIS PROJECT HAD BEEN BREWING FOR YEARS. A TREMENDOUS AMOUNT OF DISCUSSION TOOK PLACE ABOUT WHAT TO DO IN THIS SPACE. IT WAS 100% PRECIPITATED BY THE CRUMBLING RAILROAD TIE RETAINING WALL. IT WAS BECOMING A DANGER.

WE'VE NEVER UNDERTAKEN A PROJECT OF THIS SIZE AND SCOPE. THE RAILROAD TIES AND ROCKS WERE REPLACED WITH INTERLOCKING WALL BLOCK. NOBODY PLAYS HORSESHOES ANYMORE AND PICKLEBALL IS UP AND COMING. A HUGE BASKETBALL COURT WILL BE AWESOME!

homeowners see their property valuations increase between 10% and 30%

Many homeowners' property values have seen

prices climbed 3% on an annual basis, slightly below the 3.1% increase forecast by Refinitiv economists.

Although inflation has cooled from a peak of 9.1%, it still remains above the Federal Reserve's 2% target rate.

Other parts of the report pointed to a slower retreat for inflation. Core prices, which exclude the more volatile measurements of food and energy, climbed 0.2%, or 4.8% annually. Both of those figures are lower than

Your friendly reminder you're not behind. The average American:

- Has less than \$1k in savings
- Doesnt buy a home until 34
- Still has about 42k in student loans at age 50
- Is 17 pounds overweight
- Watches 33 hrs tv/week
- Spends \$69/day
- Consumes 11 alcoholic drinks/week
- Wants a career change (50%)

As a cooperative, East Central Energy works hard to provide safe, reliable electricity to all members while ensuring that our rates adequately reflect the cost of serving each rate classification.

Based on the results of a recent independent cost-of-service study, we have determined that a rate adjustment is necessary.

Below is a comparison for your account(s) listed under Small General Service. The new rate will be implemented January 1, 2024, for bills due in February.

Anyone can be a campground owner.
Even someone with minimal repair skills
and interpersonal skills. Fortunately a
desire to do the very best every day
compensates for the lack of skills.
